Dear Mark,

**Part IIA Environmental Protection Act 1990
Formal Designation of Special Sites under S.78C(1)(b) and Acceptance of
Authority Designation**

I refer to your notification dated 9 November 2007 and Schedule 1, that your authority wishes that **B A Tubes Ltd. Studley Road, Redditch** (EA Ref: MILS/LA92/24561) should be designated as a Special Site under the Contaminated Land (England) Regulations 2006 by virtue of:

- 2 - (1)(d) *land on which a prescribed process designated for central control has been or is being carried on under an authorisation, where the process does not solely consist of things being done which are required by way of remediation;*
- 3 - . *The circumstances to which regulation 2(1)(a) refers are where – (b): controlled waters are being affected by the land and, as a result, those waters do not meet or are not likely to meet the criterion for classification applying to the relevant description of waters specified in regulations made under section 82 of the Water Resources Act 1991 (classification of quality of waters).*

I wish to confirm that we agree with your designation and that the site will now fall under regulatory control of the Environment Agency. Please accept this letter of notification of agreement to the designation pursuant to Section 78C(6)(b).

Yours sincerely,

Robert Gladwin
Technical Officer GWCL
