

## IMPACT ON THE ENVIRONMENT

Waseley Hills Crematorium will operate in strict accordance with the emission limits prescribed in the Process Guidance Note PG5/2( 12) and will not have the potential for any foreseeable emission to have any significant effect on the local environment.

The installation is not in an air quality management area.

The Westerleigh Group, of which Crematoria Management Limited is a wholly owned subsidiary, operate 35 crematoria throughout England, Wales and Scotland.

No complaints have been received, and there is no history of non-compliance from any regulator.

The Group can offer references from local Environmental Health Officers from any of the areas where Westerleigh Group crematoria operate. Available on request.
